

## WELCOME TO LÖKANABBEN, ASPÖ AND ASPÖ YACHT CLUB - 56°06`8N - 15°34`0E

We hereby want to inform you about our club and our activity that concerns you as an overnight yacht guest. Aspö Yacht Club is a non-profit association, we own our club house (that we ourselves built), the land and harbour area we rent from Karlskrona municipality. Harbour hosting, maintenance, cleaning etc. is done by our members. Our members are hosts on your visit and they are present as shown below. Once Lökanabben was an important harbour for fishing boats and regular archipelago traffic to the island. Now the harbour mainly is a part of the boating and is rent to Aspö Yacht Club for pleasure boats.
